An International, Non-Profit, Educational Organization Devoted
to the Interests of Single Parents and Their Children

Livingston Chapter #564

The problems are many in bringing up our children alone, contending with the emotional conflicts of divorce, never-married, separation or widowhood.

PWP Inc. is the only international organization that provides real help in the way of discussions, professional speakers, study groups, publications and social activities for families and adults.

Through the exchange of ideas and companionship, we hope to further our common welfare and the well-being of our children .
